RE: CommTECH Camp Insight 2019
Sepuluh Nopember Institute of Technology, Surabaya

Dear Prof. Nguyen Dong Phong,

I am pleased to inform you that a prominent Indonesian institute of technology, Sepuluh Nopember Institute of Technology (ITS) in Surabaya is offering the **CommTECH Camp Insight 2019**. The theme of this project based learning program is **“Solving Local Problems with Global Knowledge”** and it is an opportunity for university students, academics, and university staffs to learn and solve real life problems faced by the local community. The program is to be conducted on **23 January – 5 February 2019** and divided into five sub-courses: **Sociopreneurship in Action, Designing and Building Energy-Efficient Car, Introduction To Game Animation & Internet of Things, Ship Navigation Safety and Risk Management of Ship Collision, and Exploring Indonesian and Art**. During the program, participants are to take part in courses, visitations, and work on a project based on the sub-course they are taking. Besides taking the thematic courses, participants will also have an opportunity to engage with local society and learn about Indonesian art and culture.

With this regard, I would like to request your kind cooperation and assistance to announce the Program to students, lecturers, and staffs of University of Economics Ho Chi Minh City.

Details of the information of the Program and required documents, as well as application form can be accessed through website <http://international.its.ac.id/commtech-insight-2019/>. The applicants are expected to complete the registration process **before 21 December 2018**. ITS offers full scholarship, 50% scholarship, and partial scholarship for limited applicants. More detailed information is provided in the website aforementioned above or please contact Mr. Wahyu through commtech@its.ac.id or internationaloffice.its@gmail.com.

I thank you for your kind cooperation and assistance.

Sincerely yours,

Hanif Salim
Consul General
